

First Set of Endorsed Programmes under the International Decade of Sciences for Sustainable Development (IDSSD)

1. Scaling Up the UNESCO's Remote Access to Laboratory Equipment (UNESRALE) Initiative under IDSSD: Bridging the Gap in research infrastructure
2. CODATA-RDA Schools of Research Data Science (SoRDS)
3. Gas hydrates Multiple Effect in the Ocean (GasMEO)
4. High-resolution Earth System Modeling, Analysis, and Prediction for a Society Resilient to Hydrometeorological Hazards
5. Advanced Light Source Facilities to Empower Global-South Scientists for Sustainable Development
6. Addressing Global Warming Threats through Marine Observation Systems and AI Customizability (MOSAIC)
7. Connecting Rivers & Oceans for Sustainable Solutions in the Coastal Zone (CROSS Coastz)
8. Indian Ocean Carbon Cycle and Global Climate Change Research
9. Exploring Paleo-Life: The Silk Road Geoscience Expedition Program
10. Empowering BRICS+ Countries with Emerging Technologies' Capacity Building for High-Quality and Sustainable Development
11. Global Ratoon Rice Network Initiative: Promoting Sustainable Development of Food Security, Green Agriculture, and Climate Adaptation
12. Thermochronology and Geohazard Risk Analysis of Fault Zones in Timor Leste
13. Association for Trans-Eurasia Exchange and Silk Road Civilization Development
14. Belmont Forum Sustainable Development Collaborative Research Actions
15. Habitability of Subsurface Oceans in Icy Worlds
16. GOTTA - A Global Open Transient Telescope Array for the Extreme Universe
17. Global Vegetation Pest and Disease Habitat Monitoring and Risk Forecasting
18. Flyway University Alliance
19. The Dissemination of Best Practices in Psychological, Pedagogical, and Correctional-Developmental Support for Preschool and School Education
20. Fostering Innovation for Resilience and Sustainable Transformation (FIRST)
21. Science Diplomacy, Neuroscience, Technology & Society for the International Decade of Sciences for Sustainable Development
22. Managing Emerging Contaminants: Research and Action (MECRA)
23. Seamless Prediction and Services for Sustainable Natural and Built Environments (SEPRESS)
24. International Program for Sustainable Development of Aral Sea Region
25. PlateauPlus Plateaus' formation and the effects on environmental changes, biodiversity evolution, and human adaptation
